Dear John,

I am writing on behalf of our local Marie Curie Fundraising Group, chaired by Innes Davis, to thank the Rotary Club of Sherborne Castles for the most generous donation to the work of Marie Curie.

It was a great pleasure to receive the cheque for £1,500 on Monday evening at your meeting. I hope that the photo opportunity will raise awareness of both your tireless community involvement and the work of Marie Curie Nurses. Thank you for allowing me to say a few words explaining that your contribution equates to 100 hours of nursing care. If at any time the group or any individual member would like to learn a little more about Marie Curie then please do not hesitate to get in touch.

With all best wishes,

Sue
